Regina, Saskatchewan – March 24, 2008 – The Association of Regina REALTORS® Inc. (ARR) and Canada Mortgage and Housing Corporation (CMHC) have named Wayne White of Realty Executives White as the 2007 REALTOR® of The Year. Jeff Skinner of CMHC made the presentation on March 20, 2008 at the Association's 23rd Annual Member Recognition Evening.

"This Award is designed to recognize a Regina REALTOR® who has made a significant contribution to both the real estate industry and their community", said Mr. Skinner. "Wayne White's extensive involvement in many industry volunteer leadership capacities and in the community is certainly consistent with the intent of the award."

"To be recognized by the local industry with this award is indeed an honour", said Mr. White. "I would encourage any members to become involved with the association as a volunteer. It's been very rewarding experience during my 33 years as a REALTOR®."
